PATENT

IN THE UNITED STATES PATENT & TRADEMARK OFFICE

In re application of )  
GEORGE F. FANTA ET AL. ) Group Art Unit 1711  
Formation of Hydrophilic ) Examiner M. D. Bissett  
Polysaccharide Coatings on )  
Hydrophobic Substrate )  
Serial No. 10/849,977 )  
Filed May 20, 2004 )

The Honorable  
The Commissioner of Patents  
Sir:

**DECLARATION UNDER 37 C.F.R. §1.132**

John H. Salch deposes and states:

1. That he is one of the coauthors of the publication entitled "Formation of Hydrophilic Starch Coatings on Polyethylene Films", Journal of Applied Polymer Science, Vol. 84, 1781-1788 (2002);
2. That he is familiar with the content of the above-identified application, and has reviewed the subject

I hereby certify that this correspondence is being deposited with the US Postal Service as First Class Mail in envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on

matter of Claims 1-17 and 28 currently of record in said application;

3. That he personally did not participate in the conception of the invention as defined by the claims referred to in (2);

4. That he is familiar with the content of U.S. Patent No. 6,709,763, and has reviewed the subject matter of Claims 1-23 thereof;

5. That he personally did not participate in the conception of the invention as defined by the claims referred to in (4);

6. That to the best of his knowledge, the inventions as defined by the claims referred to in (2) and (4) were first conceived by George F. Fanta and Frederick C. Felker;

7. That his role in work described in the publication referred to in (1) was one of engineering the coating of solubilized films onto polyethylene substrates as per the direction of Dr. Fanta;

8. That all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that

Serial No. 10/849,977 - Fanta et al.

willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Executed Sept 19, 2005

  
John H. Salch
